You have further questions about our services and offers?
Ask your local Hotzone tutor or write us an email to: info@hotzone.de

Internet

Simply connect your computer to the Ethernet outlet using an Ethernet cable and configure it to obtain the IP address automatically (DHCP).

Television*

If you can already receive television over IP (IPTV) in your apartment, simply start the Firefox browser and open <http://tv.hotzone.de>. If you want to connect your TV set, you need a Set-Top-Box, which can be rent for 5,- Euro per month.

Telephony**

The Hotzone offers a cheap Internet telephone service.

- One-time application fee: 14.95 Euro
- Monthly basic fee: 3.50 Euro
- Flatrate to German landline: 1.50 Euro
- Calls to German landline: 1.3 Cent/min
- Calls to German mobile network: 11 Cent/min
- Internal calls (within Hotzone): 0 Cent/min
